

GRENFELL CARAVAN PARK

FIRE PIT SAFETY PROCEDURES

General Conditions

Fire pits are permitted during **declared fire season dates only** and must be used in accordance with all Park, Insurance, and Regulatory Requirements.

The Open Fire Period dates for NSW are typically **1 April to 30 September**. These dates may change based on local conditions, which can affect fire risk levels.

Guests **MUST** check current local guidelines and current conditions prior to use:

- **Local Shire Name:** Weddin
- NSW Rural Fire Service: <https://www.rfs.nsw.gov.au/fire-information/BFDP>

Guest Responsibilities

Guests **MUST** supply their own fire pit, firewood and tools required for use of same

Before lighting any fire, guests must ensure that:

- The fire is to be contained and controlled within a secure fire pit
- The fire does not include toxic materials (e.g. rubber, plastics, paint, treated timber)
- The fire does not create excessive smoke or air pollution
- The surrounding area is cleared of combustible materials for at least **2 metres** in all directions
- Fire pits are to be located within your designated site only
- Fire pits must not be placed on or near common walkways or areas that may create trip hazards
- Fires must be completely extinguished at the end of each evening, using water and ensuring all embers are fully out
- Ashes must be completely cool before disposal, and must be disposed of safely and in a timely manner upon checkout
- Hot ashes must NOT be placed in bins or left unattended

FIRE HOSES ARE LOCATED IN THE CENTRE SECTION OF THE PARK, NEAR THE CLOTHESLINE AREA & BBQ AREA. A FIRE EXTINGUISHER IS IN THE LAUNDRY.

Compliance & Enforcement

Failure to comply with these procedures may result in removal of the fire pit and/or termination of your stay.

Grenfell Caravan Park reserves the right to prohibit fire use at any time due to safety concerns, weather conditions, or regulatory requirements.

Acknowledgement

By choosing to use a fire pit within Grenfell Caravan Park, guests acknowledge that they have read, understood, and agree to comply with these Fire Pit Safety Procedures.
